ORDER 2025**

AMENDMENT NO.14 ORDER 2026

BATLEY ROAD AND WOODHOUSE LANE – 40MPH AND 30MPH SPEED LIMITS

STATEMENT OF REASONS FOR PROPOSING TO MAKE THE ORDER

Leeds City Council proposes to introduce a 40mph and 30mph speed limit on specified lengths of Batley Road and Woodhouse Lane, Ardsley, currently subject to the National Speed Limit.

The proposed reduction in the maximum permitted speed is intended to provide a speed limit that is more appropriate to the character and use of these roads and the surrounding environment. The route passes through a combination of developed and more rural sections, with residential properties, accesses and other roadside features along parts of the route.

The proposed 40mph and 30mph speed limit is intended to provide a more consistent and appropriate speed environment along the affected lengths of Batley Road and Woodhouse Lane and to contribute to improved road safety for all road users.

The proposal has been developed following a review of the existing speed limits on Batley Road and Woodhouse Lane and takes account of the character of the route and the surrounding development. The proposed speed limit is considered appropriate having regard to the Department for Transport guidance on setting local speed limits.

The Council considers that the proposed speed limit is necessary for the following reasons:

- For avoiding danger to persons or other traffic using the road or for preventing the likelihood of any such danger arising, by reducing the maximum permitted speed on the affected lengths of Batley Road and Woodhouse Lane and providing a speed limit more appropriate to the character and use of the route.
- For preserving or improving the amenities of the area, by providing a lower and more appropriate speed environment in areas where the route passes properties and other roadside development.
