LEEDS CITY COUNCIL
(VARIOUS ROADS, METROPOLITAN DISTRICT OF LEEDS)
(WAITING RESTRICTIONS AND ON STREET PARKING PLACES)
(CITYWIDE) ORDER 2025
AMENDMENT NO. 31 ORDER 2026
STATION ROAD, MORLEY TRAFFIC REGULATION ORDER

STATEMENT OF REASONS FOR PROPOSING TO MAKE THE ORDER

As part of the First & Last Mile scheme to improve pedestrian access to Morley Station, an informal pedestrian crossing point is proposed across Station Road. The crossing will provide a link between the improved footway on Station Road and the routes to the north, supporting the delivery of a more accessible walking route to the railway station.

The proposed waiting restrictions are required to maintain adequate visibility at the proposed crossing point and to prevent vehicles from parking in locations where they could obstruct visibility between pedestrians using the crossing and approaching drivers.

To facilitate the proposed crossing and maintain appropriate visibility, it is proposed to introduce No Waiting at Any Time restrictions on Station Road.

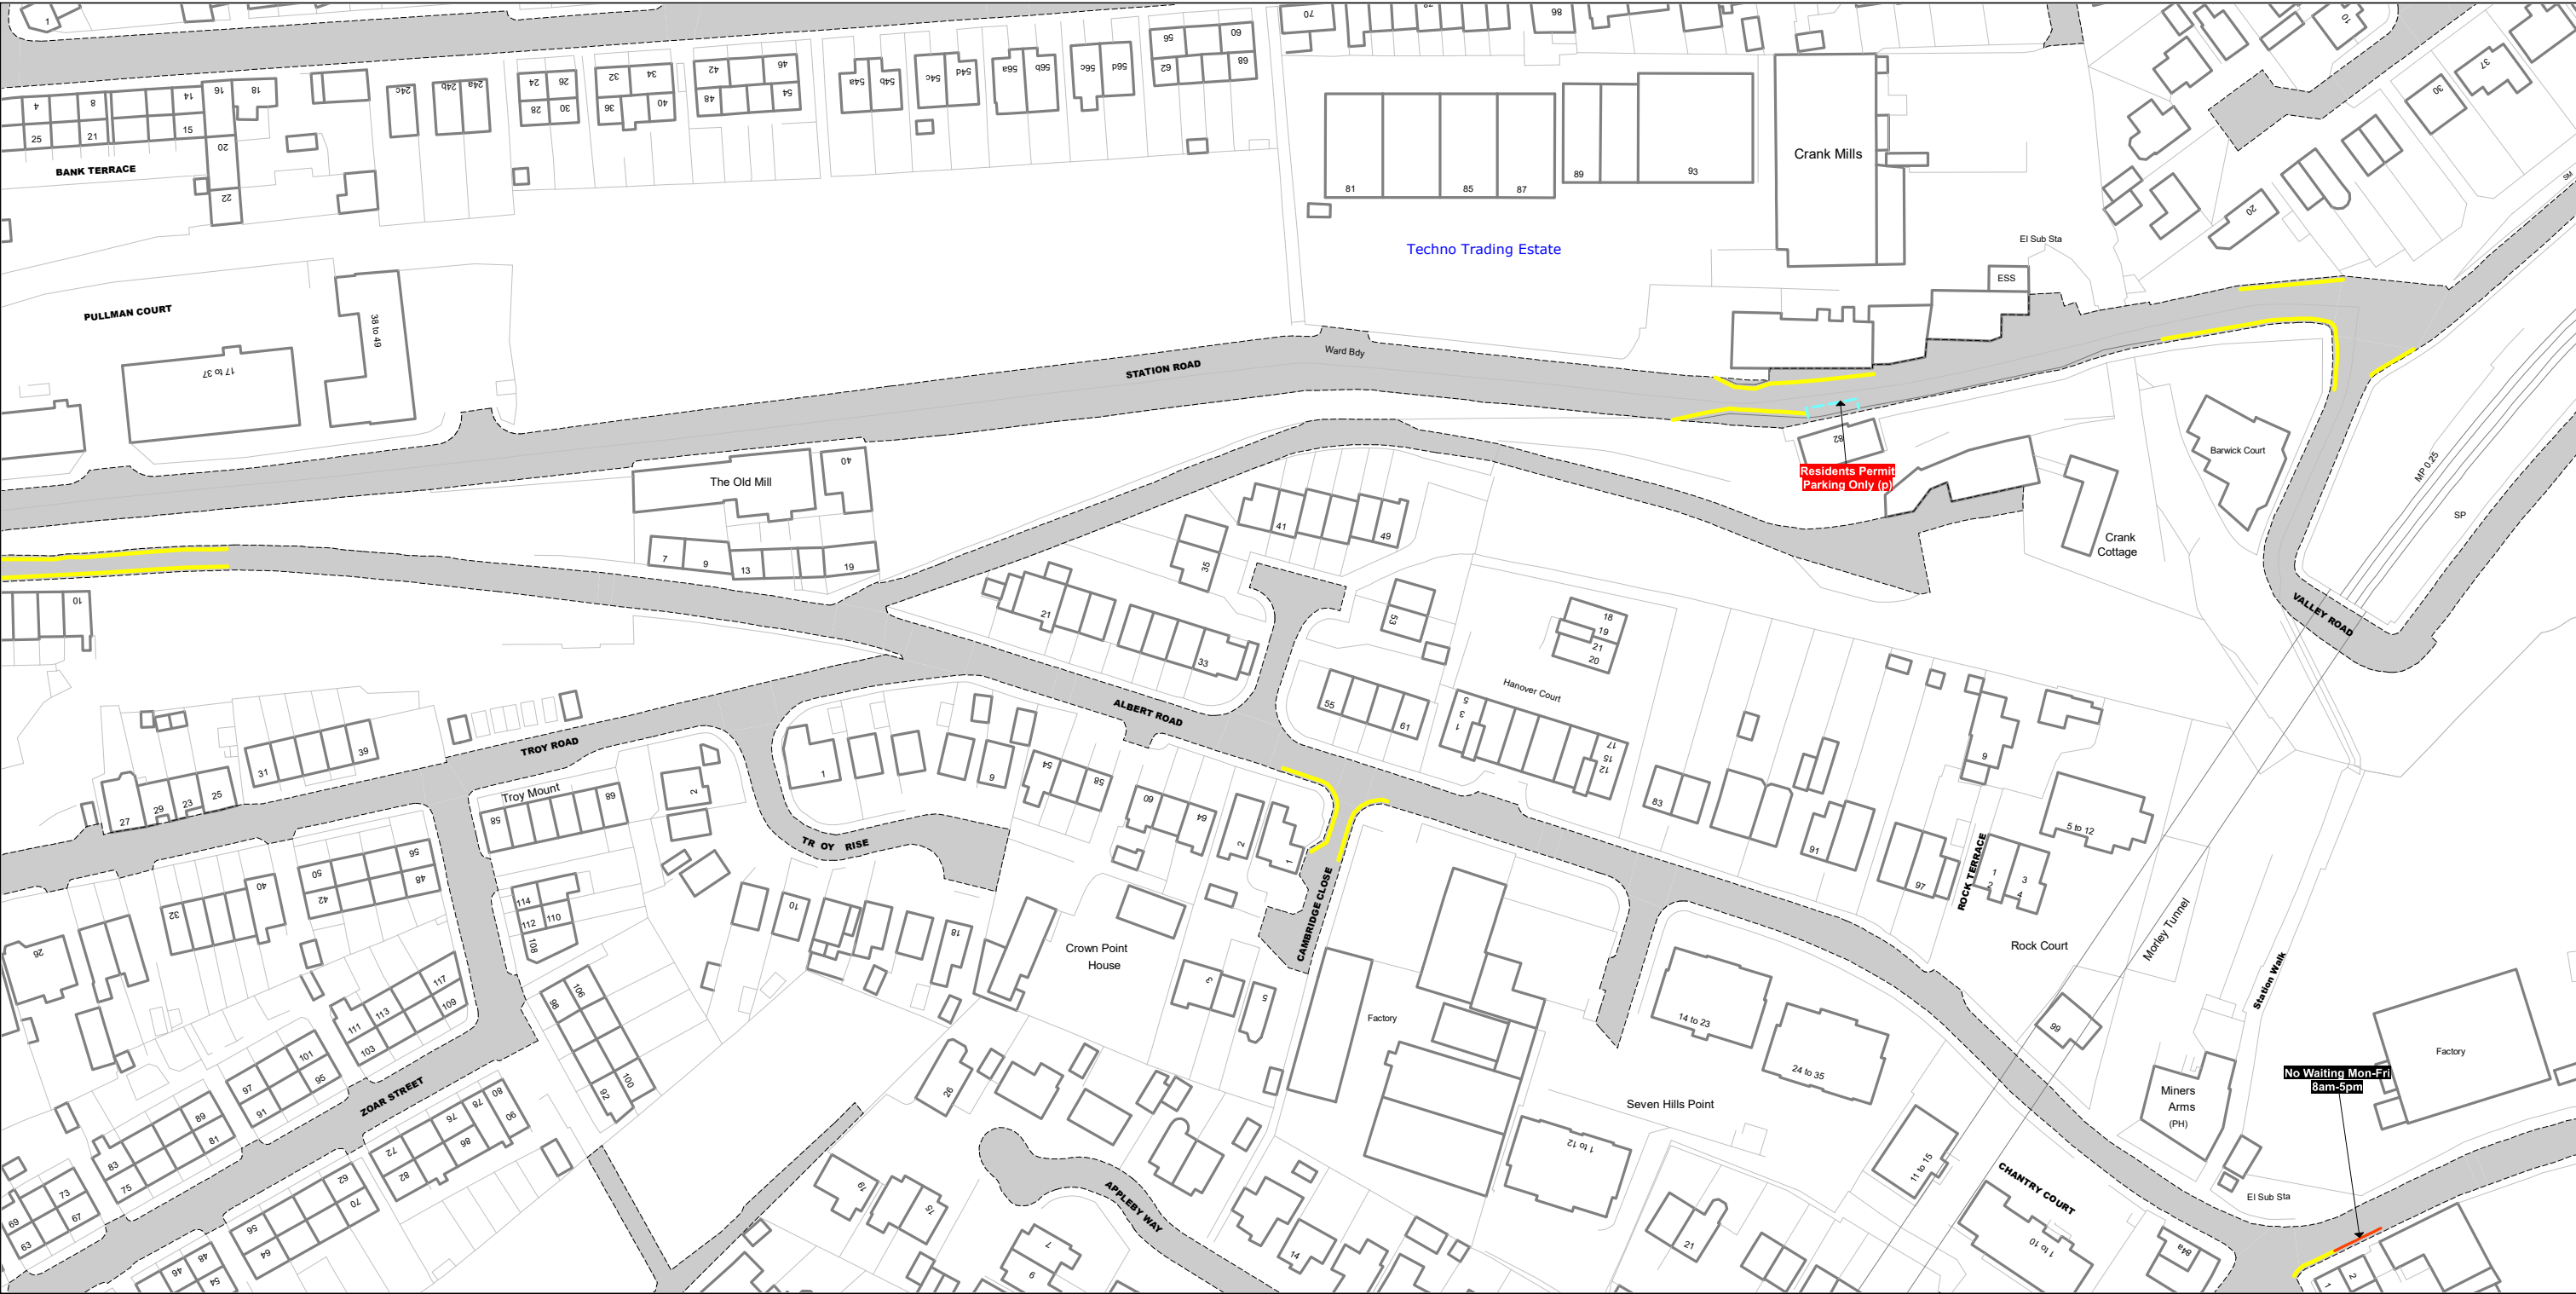

The proposed crossing also requires the loss of an existing parking space outside property number 82 Station Road. To compensate for this loss and retain on-street parking provision for the occupants of the property, it is proposed to introduce a Residents' Permit Parking Bay outside number 82 Station Road.

The proposals will therefore assist in maintaining appropriate visibility at the proposed pedestrian crossing, facilitating the safe movement of pedestrians and vehicles along Station Road, and providing alternative on-street parking provision for the affected resident.
